GREATER MANCHESTER CITIZENS ASSEMBLY

UNISON NW is a founding member of GM Citizens, the newest chapter of Citizens UK.

On 1st May, 1,800 citizens will gather at the Lowry Theatre to demand pledges from the GM Mayoral candidates. It is by far the biggest event of this Mayoral election process – and UNISON members, their family, children, and friends are invited.

Our demands for Greater Manchester include **Dignity in Social Care**, the **Living Wage**, **Ending Homelessness**, and **Tackling Hate Crime** – and we will put those demands to our future Mayor live at the event on May 1st
2-4PM: The Lowry, Salford, M50 3AZ

UNISON NW is aiming to bring 500 supporters – Register on line to be a part of this historic event! For further details please contact your local UNISON branch or email j.caulfied2@unison.co.uk.
