

UNISON North West

Regional Disputes Seminar 2019

Thursday 31 January 2019

Mechanics Institute, 103 Princess St, Manchester, M1 6DD

Collective disputes – a means to a strategic end

Join guest speakers including Shirin Hirsch, People's History Museum and Emiliano Milliano, Independent Workers Union of Great Britain (IWGB), for a day of talks and workshops to learn from the strategies and successes of both historical and recent disputes.

*Collective disputes have shaped our past
and can continue to shape our future.*
