

UNISONplus Dental Plan

“ Now I get even more from UNISON, a comprehensive NHS dental plan for just £2.20 per week. ”

Tina Vincent
Higher Level Teaching Assistant
(Member of UNISONplus Dental plan since 2010).

Calculation is based on 12 monthly payments of £9.50 per month divided by 52 weeks = £2.20 per week.

Frequently asked questions

ONLY
£9.50
PER MONTH
TO GET YOUR NHS DENTAL TREATMENT COVERED!

What will I be covered for?

100% of your dental bill according to the NHS scale of dental charges and up to a generous annual maximum. There are many other dental benefits included, please refer to the Premium and Benefits Table.

How do I claim?

When you arrange your dental appointment, simply call our claims line and we will send you a form for your dentist to authorise.

Pay your bill, return the form with your receipt and you will be reimbursed.

Why would I need a plan like this?

NHS charges for a routine check-up resulting in a crown would be £209. A filling 6 months later would be £48 or a second crown would be another £209.

You get £500 per year on the NHS Patient plan to cover NHS costs. (NHS charges correct, April 2012).

I know I need some treatment now; will it be covered when I join?

No. You will need a clean bill of health before you can claim on this plan. We only cover new dental conditions that occur after joining and completion of the thirteen week qualifying period.

I have not been to a dentist for more than a year. Can I join the plan?

Yes - however, you will need to see a dentist and get any recommended treatments completed at your own expense initially. Claims for future visits and treatments can then be covered by your plan.

When can I start using this plan?

There is a qualifying period of thirteen weeks from your first payment before you can claim (twelve months for dentures and denture repairs).

After that you can claim as often as you need to, up to your annual maximum.
